the Democrat cays 'tis absurd to allege that the off lines we had here was a serior lay to the considers' provocation, but if he dense had nearly thrity American were shot which was a serior varieties administed the line of the considers' provocation, but if he dense had nearly there was no located with a deadly weapon, he must give the lie to an amount of swon testimony that would overwhelm not merely the partizans as himself.

A Testimoniat to Judge Stewart of the city of New York, has recently been tried of the city of New York, has recently been tried of the city of new York, has recently been tried of the city of new given on the ground that the offense was a very grave one and the proof very clear. He resided the latter done and the proof very clear. He resided the latter done had been in the labit of winding, had married this felon. He held intervened to the latter her husband from trial for the sum of 8-21 This sum the drew from he had to consider the latter her husband from trial for the sum of 8-21 This sum the drew from and by a writer in the Journal of Weight and the latter has a sum of 8-21 This sum the drew from he had to consider the latter her husband from trial for the sum of 8-21 This sum had drew from and by a writer in the Journal of Weight and the proof very clear. He resided the former was a very grave one husband from trial for the sum of 8-21 This sum had drew from be a sum of 8-21 This sum had drew from and by characteristic ordinary was an advanced to the sum of 8-21 This sum had drew from be a sum of 8-21 This sum had drew from an of the first the apprehensive from the former was a very grave of the sum of 8-21 This sum had drew from the first the sum of 8-21 This sum had drew from an of 8-21 This sum had drew from the first the first the first than the sum of 8-21 This sum had drew f This sum we drew from busk and jacard in Judge Stewart's hards; and he by false a logation is necessory put upon the statute books. We must take human nature as we find it.

Judge Stewart's hards; and he by false a logation is necessory and point of the considerably more than a year ago, before the American party was known in this city, the lower of the court with this order, and, when the clerk of the court with this order, and, when the clerk pointed out the fact that there was no moticities against a person of that name. Jee Stewart altered the district attorney for order by inserting the name of the felon, a name no notorious that the district attorney never would have consisted to enter a solle protegor in the case if the Judge had not deceived hum with a false name. And, after dong all this, after given the woman a certificate that her husband lad been thus released, Stewart, when he associate Judge (Judge Smith) called upon him on the subject, positively de sed that any such they shad been the course of the subject, positively de sed that any such they shad been the course of the fact without confidence in the established the pudgeshup, he had been the course of the fact without confidence in the established with the pudgeshup, he had been the course of the fact without confidence in the established which Sewart refused to red co on account of the rank hadness of he case. Judge Smith very properly thought that the release of such a clearly, so soon after his own elevation to the bench, might look as though the were tampered with the latter of the character of the felon, since the case of the clear, and the course of the clear of the clear of the course of the clear of the course of the clear of the course of the clear o her until he could obtain the official ocumer We do not believe that one man in a thousast

We do not believe that one man in a thouserd can read the testimony without being convined that Stewart was bribed by the hurgiar's woman to do all this villathous work. A care can be suggested in the stewart was bribed by the suggested in the suggested of the arrow of the suggested in suggested in the suggeste of wheked malfeasance on the part of a solid officer was never presented to a jury. Yet at the convert was acquited eight in the same at the convict him of the technically by the ury. That body was probably right in the same at the convict him of the technical character of the medical probably right in the same at the convict him of the technical character of the medical probable with the whole blame upon the Free State party of the medical probable with the whole blame upon the pro-slavery narty. We will not generally and some upon the pro-slavery narty with the whole blame upon the pro-slavery narty. to do all this vi lamous work. A c arer ca bery on the test mony of such a wima one who paid him five hime are for the release of her lusband. We say the ry we to the gin articular.

probably right in it view of he darger of sect.

| Margin and the property of t

It is not time, as asserted by the Demobe guilty, and that a moon is under an encounter and the party of the propriet of the propriet

> any case prown to our community in the country, that the wrong any community in the country, that the wrong deeds of the Americans on the day of the election were most fearfully provoked—provoked by horrible and bloody outrages, such as would as whether in view of such first aver-production on circulton tabrics, or to the sthese, and such tacts as we recently published in regard to the pauperism in Louisville. They there is anything very alarming in the threats to be derivated by derivated they recognize the actual cause, base impelled the most peacerul people on earth to lawle a vengeance. When our native-born made by the foreign organs that foreign immits billy face the consequences, and act in according contracts, without having shed a drop of foreign gration will cease unless the Know-Nothing contracts without having shed a drop of foreign party be dissolved. The last number of the true were to fitted that the true so ret of the fills that there we have the fact that the true so ret of the fills that the true is to be found in extension. beyond Bedlau been consulte ten y an ego ver ver 1 true and it although production ought probably, out of respect to law and order, in our principle of commerce, their edge of real halo, of the country. Great to law left the suppression of the marders and would now be one in those of hour an hear. But an inest, it she would amenorate the conthe quelling of the murderers to the legal augear." If the tis the case, we may replie with did mother pople, produce more orm and thorntess of the city, but we do not believe there all our hearts that Bodian was cit hed by cation cloth. It is well enough for fer the is an American community opon our continent, years ago. A good coun like was Bedram, by to fund the world will cloths, but it that, under such circumstances, would have Horran for Bedram!

ng charged formall notified to deem time; did in the work of retribution. The editor of editor, we must remind the recader, that the vesticate about tions, a d fail is that a ment outlines that a the Democrat says 'tis absurd to allege that the "trirksy notice" which our reveiend friend nic 'to both, all as this dependence sex foreigners gave any prevocation. We know speaks of, and which was so strongly die a better cores of the training and failure

ment of the noise proseque on the informent, and had given the burglar's wife a certificate to query the foreigners, show on the blood of the world is that the blood of the foreigners, show on the light and the blood of the foreigners. the foreigners slain on the day of the election trattors to the best interests of sor the designers slain on the day of the election of that, which, perpetrated against ward, or sister of their own, ward, or sister of their own, we have the control of the contr nocent blood of the Americans, shed on that the whole of their most vir

y, and some upon the pro-slavery party. We don't know what to believe, and so we believe

No one can with trath allege, that, in what they can it the correctness of the governing in live. Stew-art availed himself of the notorious character of the woman to ma ufact re a b in the minds of the north bull of the north bull of the minds of the north bull of the north bull of the minds of the north bull of the minds of the north bull of the north bull of the minds of the north bull of the north bull
